

.338 LAPUA MAG, M07 M

Sniper rifle

CHARACTERISTICS:

- Bolt action rifle, based on Mauser M98 mechanism
- Cold forged heavy barrel guarantees exceptionally high reliability and precision
- Fully adjustable folding stock
- The receiver and Picatinny rail are made out of one block of material
- Adjustable trigger mechanism with single trigger
- Mechanical safety has three positions: safety on, safety off and secure position that enables unlocking of the mechanism, but the rifle cannot be triggered
- Muzzle brake significantly reduces recoil
